香港城市大學（城大）候任校長郭位教授獲中國工程院選為外籍院士。據中國工程院院長徐匡迪表示，郭位教授獲選是表揚他「在微電子產品及系統可靠度設計的貢獻」。

中國工程院於2007年12月29日公佈2007年度增選院士名單，共有三位學者當選外籍院士，郭位教授是其中之一。中國工程院院士是中國工程界的最高學術稱號。郭教授亦是美國國家工程院院士、國際品管學院院士及台灣中央研究院院士。

中國工程院於1994年成立，是中國工程技術界享有最高榮譽及極具權威性的顧問機構。中國工程院院士每兩年進行一次增選。對中國工程及科技發展有貢獻，並擁有崇高國際學術地位的外籍專家或學者才有資格獲選為外籍院士。目前，中國工程院共有721名院士（其中六位來自香港）及34名來自世界各地的外籍院士。

署理校長何忻基教授說：「郭位教授獲中國工程院選為外籍院士是城大的光榮。未來五至十年，城大將在郭位教授這位獲國際表揚的學者和專家的領導下，迎接新的挑戰，續攀高峰。」

郭位教授表示十分期待成為城大的一分子，並期望與其他學者專家等攜手為研究及高等教育作出貢獻。

郭教授在電子產品及系統的可靠度研究方面享負盛名。此外，他還是多所院校的講座教授或榮譽教授，包括清華大學、上海交通大學、西安交通大學、中南大學、北京航空航天大學、台灣國立清華大學、國立台灣大學及國立交通大學等。

郭教授將於2008年履新城大校長。他現任美國田納西大學大學榮譽講座教授及工學院院長。郭教授在1972年取得國立清華大學核子工程學士學位，1980年在美國堪薩斯州立大學取得工業工程博士學位。

Professor Way Kuo, President-designate of City University of Hong Kong (CityU), was elected a Foreign Member of the Chinese Academy of Engineering (CAE). The election recognises Professor Kuo's "contribution to the field of reliability design for microelectronics products and system," according to President Xu Kuangdi of CAE.

Professor Kuo is one of the three Foreign Members on CAE's 2007 new members' list announced on 29 December 2007. A membership in the Chinese Academy of Engineering is the highest academic title in engineering science and technology in China. He is also an elected member of US National Academy of Engineering, International Academy for Quality, and Academia Sinica in Taiwan.

The Chinese Academy of Engineering, established in 1994, is the most prestigious and authoritative advisory

institution in China's engineering science and technology fields. CAE elects new members every two years. Scholars and specialists with foreign citizenship who have made significant contributions to the cause of engineering and technology of China and enjoyed high academic standing internationally can be nominated and elected as Foreign Members. Currently, CAE has a total of 721 Members with six from Hong Kong and 34 world-wide Foreign Members.

"Professor Kuo's election to the academy is a great honour for CityU as Professor Kuo, an internationally-recognized professional and academic, will lead our university to meet new challenges and scale new heights in the next five to 10 years," said Professor Richard Ho Yan-ki, Acting President.

Professor Kuo said he is looking forward to joining CityU. He also expects to join the efforts of others in making contributions to research and the education of higher learning.

Professor Kuo is renowned for his work in designing and modeling reliability for electronics systems and products. He holds honorary (honorary chair) professorship at Tsinghua University, Shanghai Jiao Tong University, Xian Jiaotong University, Central South University, Beijing Aerospace and Aeronautics University, National Tsing-Hua University, National Taiwan University, and National Chiao-Tung University.

Professor Kuo, who will assume duty of CityU's Presidency in 2008, is University Distinguished Professor and Dean of Engineering at the University of Tennessee, Knoxville, US. Professor Kuo received his BS degree in Nuclear Engineering from National Tsing-Hua University in Taiwan in 1972. He received his PhD degree in Industrial Engineering in 1980 from Kansas State University.
