

## **Fifteenth Anniversary of CityU Rotaract Club**

*Joseph Chan*

Establishing a new club is hard,  
As it takes more than one heart.  
To form an OC (1) is not easy,  
For everyone is so busy.  
Persuading the SU (2) Council is tough,  
The pathway to success is always rough.  
Thanks to the beloved Mother Club (3),  
For the support non-stop.  
Their role-model so exemplary,  
Their dedication so extra-ordinary,  
Their mentoring so mind-opening,  
Their service so full of meaning.  
Service above self is the key,  
For Club, community, vocational and overseas (4).  
Fellowship is the foundation,  
So we can serve in jubilation.  
Let' s cheer our CityU Rotaract,  
More good members you will attract,  
More good projects you will do,  
More sound values you hold true.  
A better community together you will build,  
With knowledge, passion and superb skills.  
Fifteenth Anniversary is commendable,  
The way ahead will be even more memorable.

Let' s all try our best,  
To put our mind, body and soul to the test.
