

I love this place/ I hate this place

Kay Kwok Wai CHAN

I love this place

Love you, Love that
Love these all

I love the smell
I love the sight
Of this place

This place,
Is magical,
Is inspirational,
Is loveable.

Look and see.
All things are in order
Regular and in shape.

This place is pure,
Is clear, is.....

I don't know what else I can say.
I love this place.

I hate this place

Hate you, Hate that
Hate these all

I hate this place
It smells, it sticks, it's crap

Screw all the traditions
And rules
We want freedom, free like
Heaven

Don't you ever shout at me,
No one has ever shouted at me.

Look and see
All the things are in order,
Regular and in shape.

I don't like this,
I like adventures,
Freedom.

Who wants purity,
Clarity.....

Don't know what else I can say
I hate this place.
