There are duplicates because...

ORCID can be integrated with various identifier schemes and research systems

→ Single publication might be added to ORCID multiple times from different sources

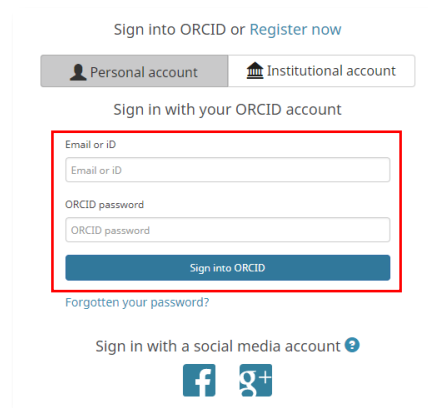

How to de-duplicate...

Delete unwanted entries

1. Sign into your [ORCID](#) account
2. Click the  icon in the entry box
3. To confirm deletion, press the red  button to remove the work
4. Multiple versions of a work need to be deleted individually
