- Step 7:** The user is on the 'Import Publications' page. A red box highlights the 'IMPORT PUBLICATIONS' button. Below it, a dropdown menu is open, and 'Sync with ORCID' is selected. A red box also highlights this option. The text below the dropdown says: 'Sync your publications on Publons with your ORCID record by clicking the button below.' A button labeled 'SYNC MY PUBLICATIONS FROM ORCID' is visible.
- Step 8:** A teal notification banner appears at the bottom with a checkmark icon and the text: 'Publications queued for sync. Please check your Publications records page to see their import status'.
- Step 9:** The user is on the 'Publications' page. A table shows one publication imported from the Web of Science Core collection. The table has columns for DATE, TITLE, JOURNAL, CITATI..., and ALTMETRIC.
