Want to break into the world of peer review? The Publons Academy, our free online course, teaches you how to critically review a manuscript with tips and advice from Nobel Prize winners. You'll practice your new skills by writing reviews of published papers. You then invite your supervisor to provide feedback on your reviews and endorse your skills so we can start matching you with top journal editors looking for reviewers. Register now for free.

ADD A REVIEW

You haven't added any reviews yet

You can start adding a new pre-publication review or publication review using the button above

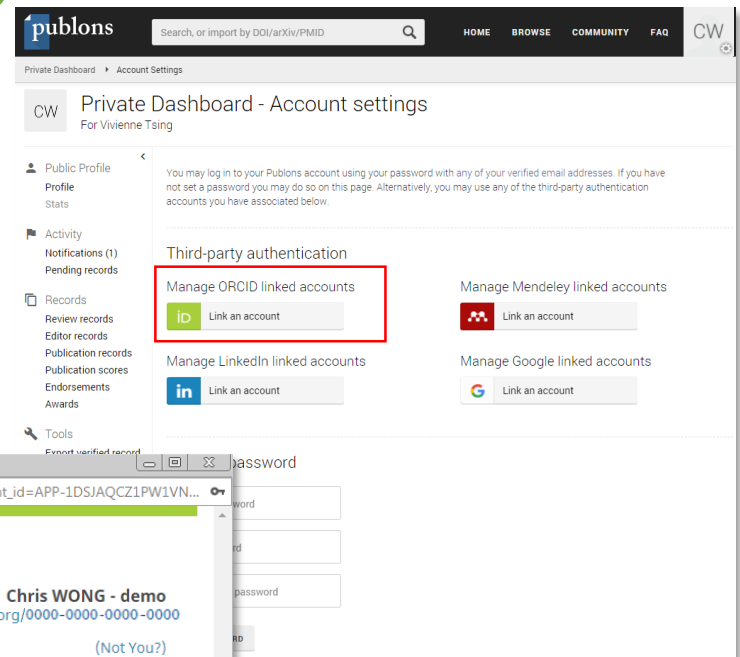

Alternatively, try sending a review receipt to reviews@publons.com!

Sending publications from ORCID to your Publons account

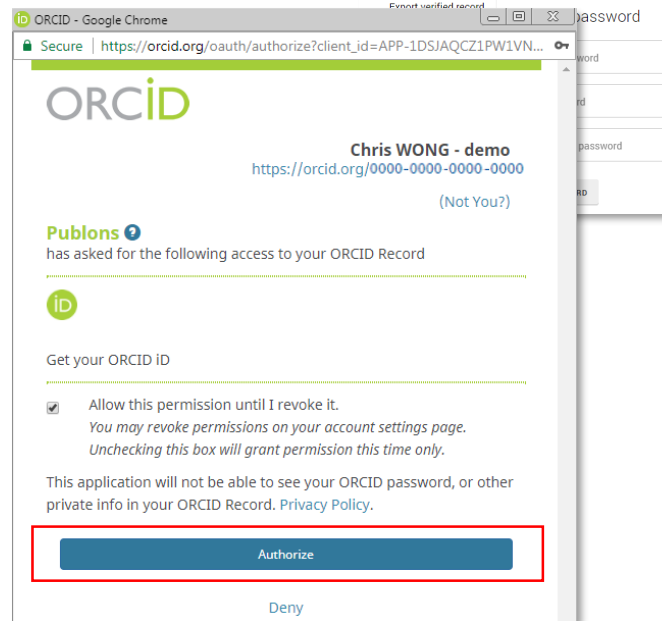

3. Under “Third-party authentication”, click  Link an account

4. Click “Authorize” to continue

3

4

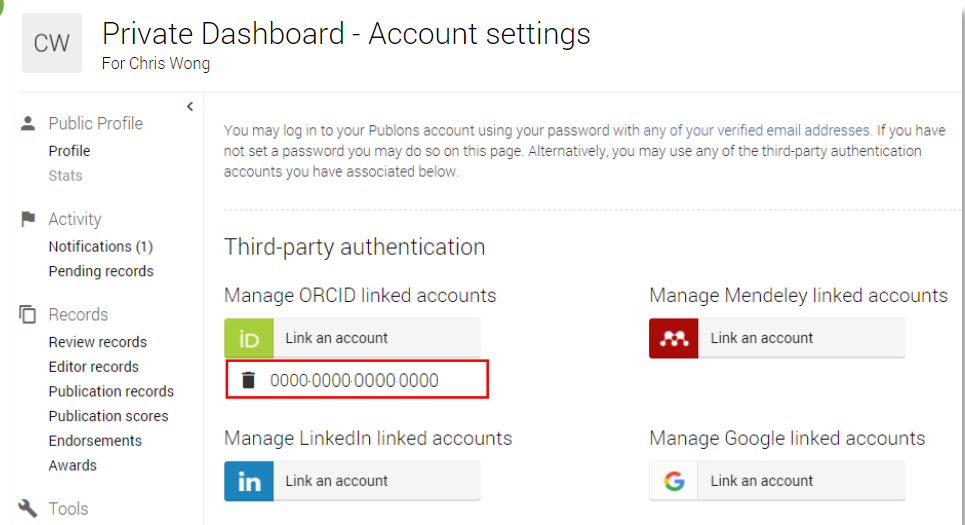

Sending publications from ORCID to your Publons account ⑤

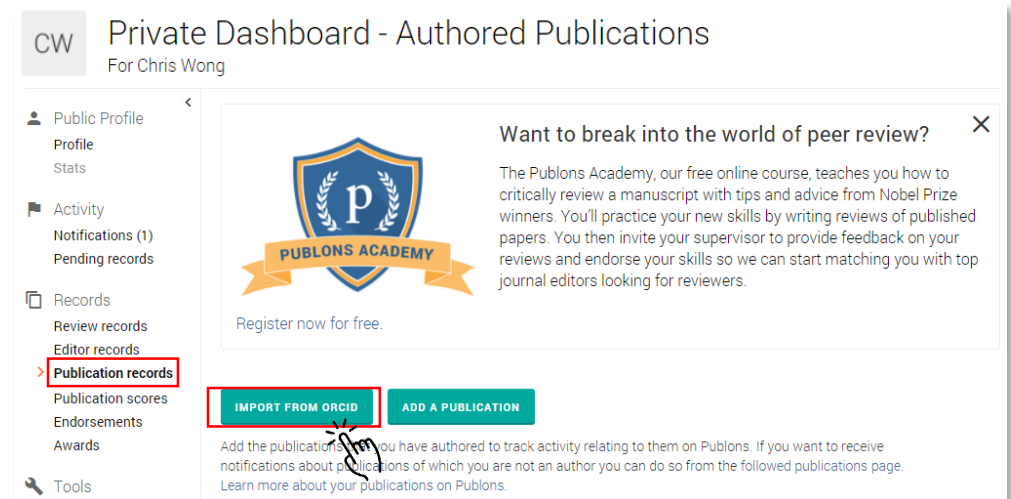

5. Your ORCID iD will be shown under the icon after authorization

6. Under “Records”, click “Publication records”

7. Then choose **IMPORT FROM ORCID**

⑥

Sending publications from ORCID to your Publons account

8. A pop-up notification will appear on the right-hand corner, asking you to check again later

PUBLICATIONS QUEUED FOR IMPORT ADD A PUBLICATION

Add the publications that you have authored to track activity relating to them on Publons. If you want to receive notifications about publications of which you are not an author you can do so from the followed publications page. [Learn more about your publications on Publons.](#)

✓ Your publications are queued for import from ORCID, please check back in a few minutes

9. After refreshing the page, you can see your ORCID records being added to your Publons publication list
